

# Resilience-Based Clinical Supervision

## Three Emotional Systems

The Drive System

**Incentive/resource focused**  
Seeking/behaviour activating  
Drive/excite/vitality

The Threat System

**Threat focused/safety seeking**  
Activating/inhibiting  
Anger/anxiety/disgust

The Affiliative System

**Non-wanting/affiliative focused**  
Soothing/safeness  
Content/safe/connect
